

Workshop Title	Change Management Skills
Workshop Description	Change and transformation are necessary for sustainable organisational growth. Delegates will understand what forces influence organisational change, resistance to change that might arise and methods of mitigating such resistance. Delegates will be empowered to manage change within their work environment and be introduced to processes and strategies for coping with diversity in a multicultural work environment. Delegates will be able to formulate a theoretical framework to outline good practices for coping with change and diversity.
Admission Requirements	<ul style="list-style-type: none"> • Must be at least twenty three years of age. • Must be in possession of a matric certificate or the mature age exemption procedure will apply.
