

Workshop Title	Disaster Management
Workshop Description	Disasters are often unforeseen and may pose a great challenge to the social and economic fibre of society. Delegates will be introduced to the various forms and types of disasters and the possible effects these may have on a community, society organisation and individuals. Delegates will learn how to work effectively in the event of a disaster and to limit loss of lives and livelihoods. The course also teaches how to manage a situation after the aftermath of a disaster.
Admission Requirements	<ul style="list-style-type: none"> • Must be at least twenty three years of age. • Must be in possession of a matric certificate or the mature age exemption procedure will apply.
