| Workshop Title | Entrepreneurship |
| Workshop Description | Entrepreneurial skills are often responsible for an organisations ability to be innovative and intuitively predict and meet the needs of clients and customers. This workshop seeks to impart the fundamental knowledge needed to create a dynamic and successful organisation while balancing the anticipated risks with the associated rewards involved in a business venture. Delegates will also learn how to prepare and utilise an organisations business plan effectively. |
| Admission Requirements | <ul style="list-style-type: none"> • Must be at least twenty three years of age. • Must be in possession of a matric certificate or the mature age exemption procedure will apply. |
