

<b>Workshop Title</b>	<b>Finance for Non-Financial Managers</b>
<b>Workshop Description</b>	This workshop has been created to provide delegates who are not necessarily from a financial background with the necessary financial skills to make sound financial decisions within their organisation. Delegates will be provided with insight into interpreting financial documents and statements. They will be able to make informed assessments on matters that impact on the financial wellbeing of an organisation. The workshop also covers the role and function of financial managers. Delegates will also obtain an understanding of the difference between managerial finance and financial management.
