

Workshop Title	Integrative Management
Workshop Description	This workshop seeks to impart a practical and holistic approach to the management function within an organisation. Aspiring and current managers will learn how to apply key theories based on management principles in the context of their work environment to create improved process flows and productivity. Delegates will learn to plan strategically for the organisations current and future needs by taking into account local, domestic and international changes and trends.
Admission Requirements	<ul style="list-style-type: none"> • Must be at least twenty three years of age. • Must be in possession of a matric certificate or the mature age exemption procedure will apply.
