

Workshop Title	Small Medium Micro Enterprises Development
Workshop Description	Aspiring entrepreneurs will benefit from this workshop by gaining the necessary knowledge to start a small business by following an accurate and comprehensive business plan. Entrepreneurs will also gain insight into the processes and procedures involved in acquiring an existing business enterprise and key legislation that governs business enterprises. An opportunity will be provided to discuss key topics and address frequently asked questions. The workshop will also cover key legal issues faced by SMME's and tax implications for these organisations. Delegates will also be advised on the different instruments that fund start- up businesses and how to access these funds.
Admission Requirements	<ul style="list-style-type: none"> • Must be at least twenty three years of age. • Must be in possession of a matric certificate or the mature age exemption procedure will apply.
