

<b>Workshop Title</b>	<b>Women in Leadership</b>
<b>Workshop Description</b>	This workshop looks at the overview of leadership and the rising force of women in leadership. The workshop also looks at the discrimination against women in leadership and how women are just as effective as their male counterparts. Delegates will develop an understanding of the qualities required for women in leadership and how these characteristics and traits are developed. Delegates will also develop an understanding of labour law and how to develop problem solving, conflict management and negotiation skills. The workshop also deals with how to manage stress in the workplace and leading into the future.
